

Here are resources I have found that are focused on restoring parent child relationships in “out of the box” ways. I am looking for any other suggestions people might have, as long as they aren’t approaching this a “syndrome” and have good information about empowering the mental health, legal system and targeted parents.

### **Dr. Craig Childress, Psy.D.**

Dr. Childress's work is, quite truthfully, the inspiration for this site. I believe he has an approach that can effectively break out of the paradigm of a targeted parent living through years of financial and emotional strain or ruin in a court system that is by and large not equipped to deal with what is...

### **Dorcy Pruter**

Dorcy Pruter is the founder and CEO of the Conscious Co-parenting Institute. The focus of the institute is to reunite children and targeted parents. The way I found out about her was by finding a series of video interviews she did with Dr. Craig Childress on YouTube. I have the videos posted in the videos...

### **Downloadable AB-PA Brochure**

This downloadable brochure on Attachment-Based Parental Alienation comes to you courtesy of Dr. Childress from his website. Thanks, Howie Dennison for making me aware of it by posting it on Facebook! Download now and share!!!

### **Dr. Jennifer Jill Harman, PhD.**

Dr. Jennifer Jill Harman, author of "Parents Acting Badly" does a superb job of identifying dynamics of alienation. She identifies many of the same issues as Dr. Childress, but also goes into good detail about some of the larger issues that cause and perpetuate alienation in

the first place. She points to not only how...
